MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT : Loan of Personnel to the Executive Office of the President.

REFERENCE : Memo dtd 16 Jul 54 to DD/A fr DD/I, sub: "Financial Arrangements for Officers' Loan to Executive Office of the President."

1. When I advised Mr. Hart Perry, Bureau of the Budget, by telephone today of the personnel loans outlined in referenced memorandum he said that normally the Bureau would expect the Agency to receive reimbursement for this type of loan but that no objection would be offered in these cases if we were unable to make such an arrangement. He emphasized, however, that the periods of loan definitely should be stipulated and, of course, kept to a minimum.

2. In confirmation of my conversation with you this afternoon, I do not consider our Contingency Reserve a proper source to defray the cost of these salaries. It will, therefore, be necessary to absorb the expense involved in the budgetary allocation for your Office.
